3rd Annual Nigeria Tech Summit Sponsored by the US Embassy of Nigeria Returns to Abuja, Nigeria

The [Global Startup Ecosystem](#) returns with the 3rd annual Nigeria Tech Summit which will take place on December 17, 2021 (10am-5pm EST) at the Abuja Transcorp Hilton with virtual live access to global delegates. The program sponsored by the U.S. Mission in Nigeria will be hosted in partnership with accelerator partners IBM Cloud, AWS, Google Cloud, Sendgrid, and more.

This free live summit event will welcome delegates from across Nigeria and around the world to discuss the future of employment, entrepreneurship, and education in Nigeria as the country faces its highest level of youth unemployment and civic unrest. Insights and initiatives leveraging tech and innovative inclusive ways to accelerate the future of Nigeria will be discussed.

Free registration will be required to access the live program or attend live : <https://www.eventbrite.com/e/nigeria-tech-summit-2021-tickets-162900687341>

As part of the U.S. Embassy in Nigeria's on-going efforts to promote entrepreneurship and economic growth, the Embassy welcomes representation from creators and innovators from throughout Nigeria to participate in this virtual program.

- A Start-up Lab Virtual Bootcamp Accelerator with Silicon Valley mentors will be held on December 16, 2021. Selected delegates will get free access to the summit, mentorship, and a pitch competition opportunity to present to summit sponsors and partners on December 17th. Candidates based in Nigeria can apply at: <https://forms.gle/iM3VHFouwTQ9E6W48>

The deadline for submission will be December 5th. The U.S. Mission proudly supports entrepreneurship through the Academy for Women Entrepreneurs (AWE) in Lagos and Abuja, Providing Opportunities for Women in Economic Rise (POWER) Start Up Northeast and various exchange opportunities including the Mandela Washington Fellows, YALI, TechWomen, and the Fortune 500 Mentoring program.
